Time: 07.30 - 09:00 AM

Location: Scottsdale Business Center

### MINUTES

#### **Opening Comments:** John Rudd

- ÿ The estimated net income from the golf benefit is between \$5,000 and \$6,000.
- ÿ The income will go to the scholarship fund.

#### **Treasurer's Report:** John Rudd

- ÿ The general account balance is \$4,458.32.
- ÿ The golf benefit account balance is \$6,577.33.

#### **Old Business/Updates:**

- ÿ Debbi Laux reported that there were four applicants for the scholarship.
- ÿ The Committee met on Thursday.
- ÿ Two spots are still open if you can help the scholarship committee.
- ÿ \$6,577 is available for scholarships.

#### **Attendance:**

- ÿ 45 people attended the May meeting.
- ÿ Guests at the meeting were Jenny Bonifucio and Robert Krug, both of Phoenix Sky Harbor Airport.

#### **Phoenix Airspace User Working Group (PAUWG):**

- ÿ PAUWG is making good progress.
- ÿ House Bill 2662 is in process and making good progress.
- ÿ New routes are being developed to make approach into Scottsdale Airport more expeditious.
- ÿ Brian Ready has been elected to co-chair of PAUWG.

**Scottsdale Airport Part 150 Noise Compatibility Study:**

- ÿ Jennifer Lewis, Scottsdale Aviation Planner, reported that at the recent workshop, they had good pilot representation and good home-owner turn out.
- ÿ Interested parties can log on to Kaufman associates.com to input their opinions.
- ÿ The next workshop will be scheduled for June or July.

**New Business:**

- ÿ LAAS Report - The FAA recently visited the valley to meet with Innovative Solutions International.
- ÿ The program was halted by FAA due to budget overrun constraints. However, a small amount of money is available for research and development.
- ÿ The FAA is proposing use of Phoenix for its research flying activities related to this project.

**Questions/Comments :** Open Discussion

- ÿ Coronado High School is looking for qualified (certified) instructors for their aviation program.
- ÿ The National Business Aviation Association is working on creating a ten minute CD explaining what aviation contributes to the local communities.

**Next Meeting:**
